NATIONAL ASSOCIATION OF INSURANCE AND FINANCIAL ADVISORS – POLITICAL ACTION COMMITTEE

NAIFA Member Directive Regarding the Use of IFAPAC Contributions

On March 14, 2011, an SEC “pay to play” rule designed to limit the influence of political contributions by investment advisers and certain associated persons in the awarding of advisory contracts by state and local governments went into effect. Among other things, the rule prohibits investment advisers from receiving compensation for services provided to a state or local government for two years following political contributions to certain state or local officials.

In response to the rule, a number of companies have adopted compliance requirements that limit contributions by investment adviser representatives to political action committees (PACs) and state or local officials. **You must check with your company’s compliance department regarding any limitations on your ability to make political contributions under the pay-to-play rule. (If you are covered by the rule, your compliance department may limit your contribution to only NAIFA’s federal PAC. If you are not covered, your compliance department should permit your contribution to be shared between NAIFA’s federal PAC and your state association PAC.)**

After you have consulted your compliance department, please check the applicable boxes below to instruct IFAPAC regarding the appropriate distribution of your IFAPAC contribution. *Note: If you do not check a box, your entire contribution will be directed to NAIFA’s federal PAC.*

I have read and understand this directive. *(required)*

CHECK ONE BOX:

Please continue to share my IFAPAC contribution between NAIFA’s federal PAC **and** my NAIFA state association PAC. I agree to reconfirm my compliance status and change this directive, if necessary, should I change or add companies.

OR

Please direct my entire contribution to NAIFA’s federal PAC, to be used **only** for contributions to national party committees and the campaigns of candidates (except state and local officials) for the U.S. Congress.

Contributions to IFAPAC must be personal, not corporate. Contributions made on corporate or LLC accounts will be directed in their entirety to NAIFA’s federal administrative fund to help defray the costs of administering NAIFA’s federal PAC. NAIFA disclaims responsibility for any damage or liability that may arise from contributions to IFAPAC based on the SEC “Pay to Play” Rule or from any company compliance requirements related to that Rule.
